

PERFORMANCE

Buro Artemis

Buro Artemis

Personalised comfort

The Buro Artemis is a stylish ergonomic chair designed for modern workspaces. A ribbed back creates a sleek, contemporary look, supported by hygienic anti-microbial PU. The simple synchro mechanism with tilt tension and three locking positions promotes healthy posture, and the seat slide allows for a personalised fit. Fixed armrests provide stability, while the durable black nylon base with 60mm castors ensures smooth mobility. With GREENGUARD Gold certification, Buro Artemis combines ergonomic performance with a design that enhances both wellbeing and workspace aesthetics.

Key Features & Benefits

157-PU3 High Back
158-PU3 Mid Back

Quality Assurance and Accreditations

Buro Product Stewardship Programme

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO₂ footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand. ^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
