

Pro Fit™ Ergo KB620-W Wired EQ Keyboard

Part Number: K72506NA | UPC: 0 85896 00371 7

Embrace
the wave of
comfortable
productivity.

Many professionals resist transitioning from traditional to more comfortable ergonomic keyboards, deterred by the learning curve associated with a new layout.

The Pro Fit™ Ergo KB620-W Wired EQ Keyboard makes upgrading easy. Its gently curved wave design is intended to promote a more natural hand and wrist position while maintaining a familiar layout — so you can transition comfortably without retraining how you type.

Dedicated productivity keys and a full numeric keypad support everyday efficiency. The reliable wired connection, quiet responsive keys, and compact footprint make it ideal for both home and office environments.

- Ergonomic wave design with built-in memory foam wrist rest
- Low-noise keys for quiet, responsive typing
- Program up to 20 keys using Kensington Konnect™ software*
- 1800 layout
- LED indicators for Num Lock and Caps Lock
- Outer case and keycaps contain 50% post-consumer recycled content
- Windows, macOS and ChromeOS compatible
- Wired USB-C® connection with tethered USB-A adapter
- 3-year limited warranty

*Programmable buttons and shortcuts are optimised for Windows and macOS. Some ChromeOS shortcuts and customisation features may not be supported.

Pro Fit™ Ergo KB620-W Wired EQ Keyboard

Part Number: K72506NA | UPC: 0 85896 00371 7

Ergonomic Wave Design with Built-In Wrist Rest

Designed for an easy transition from traditional non-ergonomic keyboards, the gently curved layout combines a 3-layer integrated memory foam wrist rest with adjustable tilt options, promoting a more natural hand and wrist position during extended typing sessions.

Quiet, Responsive Typing

High-quality membrane key switches deliver a quiet and comfortable typing experience suited to fast typists. Ideal for open offices or working from home when others are nearby.

Programmable Keys*

Customise your experience by programming up to 20 keys, assigning a dedicated shortcut to launch your preferred AI application, creating macros, adjusting key mappings, managing profiles, and more with optional Kensington Connect™ software.

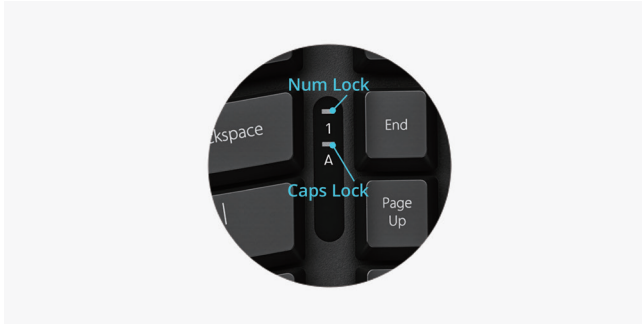

1800 Layout

With 98% of a full-size layout, including a numeric keypad, the streamlined design preserves essential functionality while reducing overall desk footprint.

*Programmable buttons and shortcuts are optimised for Windows and macOS. Some ChromeOS shortcuts and customisation features may not be supported.

Pro Fit™ Ergo KB620-W Wired EQ Keyboard

Part Number: K72506NA | UPC: 0 85896 00371 7

LED Status Indicators

Indicators for Num Lock and Caps Lock provide instant visibility into your keyboard's current settings.

Reliable Wired Connection

This keyboard features a wired USB-C® connection for zero lag—so you can focus without worrying about battery life or signal dropouts. A tethered USB-A adapter is included. Windows, macOS, and ChromeOS compatible.

Sustainability Attributes

The keyboard's outer case and keycaps contain 50% post-consumer recycled (PCR) content and it is shipped in FSC® certified packaging.

Kensington Quality & Warranty

Built to Kensington's professional standards, the KB620-W is designed for long-term reliability. Backed by professional support and a 3-year limited warranty.
