Buro Roma

Exceptionally comfortable and supportive

For folks who enjoy a little extra padding, the Buro Roma 3 lever computer chair features a moulded foam comfortable seat and back. This high back option is perfect for taller people and those who prefer a soft yet supportive work chair. The seat slide allows for additional adjustability, offering more legroom to enhance comfort. The variety of adjustments creates a customised ergonomic seating experience, with the option to add arms for extra shoulder support.

Ergonomic Assessment

The Buro Roma 3L High Back chair has been ergonomically assessed by Andrew Wilson, Osteopath & Ergonomist.

"A very comfortable 3 lever chair with very comfortable and supportive seat and back rests, with a good range of adjustments that will suit a wide range of users. A very good all-round chair".

Andrew Wilson, Osteopath & Ergonomist - 12 Aug 2017

Quality Assurance and Accreditations

Buro Product Stewardship Programme

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO₂ footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand. ^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
